

# PINEWOOD PATTEN

April, 2011

## April Birthdays

We would like to wish  
Happy Birthdays to:

Kaitlyn Boe	16 <sup>th</sup>
Dante Flury	24 <sup>th</sup>

## Sweeping

Typically we rent a sweeper to tackle all of the sand on the roads...but I don't believe that is going to be necessary this year. We will evaluate the situation as the rest of the snow melts. It seems like it is taking a long time this year!

## Pine Needles

If spring ever gets here...I'm sure residents will begin raking and sprucing up their lawns. We'll be glad to pick up the pine needles if you rake them to the edge of your lawn...until the end of April. Other yard waste (sticks, grass clippings, flowers) must be taken to the recycling center.

## Computer at The Pines

There is a computer located in the "Office" of the clubhouse that everyone is welcome to use. It is

hooked up to the internet. There is a printer as well...but when it runs out of ink...I am done with it. Refill it if you wish.

## Spring Projects

When planning spring building projects such as decks, steps and sheds, and painting – remember to contact the Pinewood Office first for approval. Some projects may also require a building permit from the Village of Trempealeau.

## Annual Village-Wide Rummage Sale

## Drive Safely

With the warmer weather approaching, kids will be playing outside more. Please slow down to keep our children safe.

## Fertilizing

Spring is an excellent time to apply Weed 'n' Feed to your lawn. Healthier, weed-free lawns are less susceptible to disease and drought. For the past few years we have used a fertilizer with **insect control** and it seems to have significantly reduced our mole problems by eliminating their food source. You might want to give it a try!

## Plowing update...

I believe we have found someone to plow on a per-time basis next season. We are currently working on the details.
