

PINEWOOD PATTTER

June, 2011

June Birthdays

We would like to wish a
Happy Birthday to:

Emma Lamke	6 th
Haily Woodard	13 th
Hannah Woodard	13 th
KateLynn Anderson	23 rd

Weed Whacker

We purchased a battery-operated weed whacker for our residents to borrow. A yard looks really nice when it is mowed *and* trimmed. We have it stored in our garage...so please stop by or give us a call when you need it.

School is out for the summer...

on Friday, June 10th. Please drive safe with more kids out and about.

Inspections Notice

Paul and I are going to begin the annual site-to-site inspections in June. As before, you will be notified in writing of anything that needs to be taken care of. Please take care of all maintenance items promptly as it's important to all of us that Pinewood stays a neat, clean and attractive place to live. Thanks in advance for your cooperation.

Homes For Sale

If you know of someone looking for a great place to live...please encourage them to check out Pinewood Court. There are several used and one new home on the market. Please have them contact the office and/or visit our website for more information, PinewoodCourt.net.

Trempealeau Municipal

Swimming Pool

Opens Saturday, June 11th

(Hopefully...they are waiting for new heater)

Looking Great

Overall...Pinewood looks awesome! Most everyone has done a superb job raking, mowing, trimming, planting and tidying this spring...even though it hasn't felt much like spring. Let's hope Mother Nature turns to summer in a gentle way this month.

Mowing

As a reminder...lawns need to be mowed and trimmed on a regular basis. Sometimes mowers break...or there just isn't enough time in the day to get everything done. If we need to mow and trim your lawn...the minimum charge is \$10 for mowing and \$5 for trimming. Also...with the large mower...it is not possible for us to mow everywhere so it is not ideal for many lawns. We will do our best if we need to help out.

Pinecones

Well...I have no idea why...but we seem to have ten times more pinecones than normal this year. It's simply crazy! Although it takes a little time...we would really appreciate it if you could please take some time and pick them up. It not only looks a lot nicer...it is also a lot easier to mow when you are not stepping on them and shooting them all over the place. Thanks in advance for your efforts.

1978 North American	2-BR, 2-BA	\$11,000
1984 Medallion	3-BR, 1-BA	call for price
1984 Holly Park	2-BR, 2-BA	\$13,500
