Dogs Allowed

Yes...we are now allowing homeowners at Pinewood Court to get a dog. For many years we have turned down requests from current residents and prospective tenants. After careful consideration...and drafting of a strict set of rules and criteria...we feel confident that Pinewood will remain a quiet, clean place to live while allowing dogs to be a part of it. Besides abiding by the rules set forth, dog owners will also be required to pay a rent increase of \$15/mo. Please contact the office if you are interested in getting a dog for further details. All pets need *prior* permission before coming to Pinewood.

Rent Certificate

If you need a rent certificate for your income taxes, please stop by or call the Office, 534-6210. If I am not available, please leave your name and I will send you one when I return.

From the Sick Bay...

Ruth Lamke (Paul's Mom) is recovering nicely...but recently had two small strokes. Many long-time residents know her well as she was the office-lady here for many, many years. She is currently doing her rehab up at Mayo in Rochester and is expected to be released on February 13th. She was the picture of health and it is confusing to her doctors as to how and why this happened. They are hopeful for a very good outcome, and her spirits are high. Please keep her in your thoughts and prayers.

Limited Office Hours

Office hours will be limited for the next few weeks. The girls have volleyball tournaments out of town every weekend. During the week I will be visiting Ruth in Rochester. And Feb 1-5 the girls and I are visiting Paul in Miami. He is gone until Feb 15th. Harry and my sisters are going to man the office for rent week...but I am not committing them completely as they have busy lives as well. Thanks for your understanding. I will be in the office on Feb. 6th.
