

# PINEWOOD PATTEN

May, 2012

## Take-Five

Please, please, please take five minutes to walk around your yard...especially the road edges...and pick up all wayward cigarette butts, candy wrappers, etc. These things do not decompose over time, and the only way to get rid on them is manually. Thank you!

## Spring

March was a lot nicer than April, but it appears as though spring is officially here to stay. The park looks beautiful! Everyone seems to have all of their raking done...many thanks to Good Neighbor Day volunteers. But if you have been a procrastinator, you will need to rake up your pine needles and dispose of them yourself, as the last pick-up of needles was April 30<sup>th</sup>. Enjoy your spring flower planting. In a few weeks...we should be past the threat of frost for the season.

## May Birthdays

Lilly Johnson	8 <sup>th</sup>
Victoria Ziegler	13 <sup>th</sup>
Andrew Hilton	15 <sup>th</sup>
Meghan Jehu	17 <sup>th</sup>

## Pets

So far...I have only received three complaints of pets running at large, barking, or droppings in someone else's yard. Nicely done pet owners! Please remember that all dogs **and cats** must be on a leash when they are outside of your home.

## The Pines

Many of you have been enjoying the Clubhouse & Fitness Center...and you have been doing a fantastic job of keeping it clean. Thank you! Everyone has also been doing a great job of scheduling events so as to avoid conflicts. F.Y.I... ask me for a master key for gatherings so you don't need to let people in and out, and remember to take your trash to the dumpster.

## Weed Whacker

We have a battery-operated weed whacker that you are welcome to use any time. A yard looks really nice when it is mowed *and* trimmed. We have it stored in our garage...so please stop by or give us a call when you need it.

## Spring Flowers

As many of you are getting ready to plant your spring flowers...don't forget to treat the dandelions and clover in your yard as well. Weed B'Gon works really well, and they have a hose applicator version that's really easy to use.

## Welcome

We would like to welcome:

\* Roger and Sandy Kramer to 23687 Pinewood Road.

\* Gary and Darlene Schreiber to 23673 Pinewood Road.

There has been a flurry of activity in the past few months. Let's hope that trend continues.

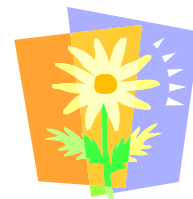

## Memorial Day

The Office will be closed on Monday, May 28<sup>th</sup> in observance of Memorial Day. Please remember those who died in the service of their country.

## New Signs

Thanks to some great input from one of our tenants...you will be seeing some new signage around Pinewood. On our main sign we will be adding our website address, and throughout Pinewood you will notice some uniform For Sale signs, and This Site Available signs. We value your input. Please keep it coming!

Mother's Day is  
Sunday, May 13<sup>th</sup>

Happy Mothers  
Day!
