## Warm Weather

It looks like the warm weather is here, and we have hit a dry spell. I know it's expensive, but water a little if you can to try and save your lawn. Hopefully Mother Nature will help us out with a few stray showers.

## 4<sup>th</sup> of July

The Pinewood Office hours will be limited July 4<sup>th</sup> - 6<sup>th</sup>. Please drop your rent check in the drop box if we're not around. Because of this you will get a little extra time! But everyone will be charged a late charge if your rent payment has not been received by Sunday, July 8<sup>th</sup>. Thanks, and enjoy the Holiday.

## Pine Cones

I am not sure why, but there are a ton of pine cones this year! Maybe the early, warm spring. Anyway...the only way to get rid of them is to physically remove them from your yard. Please pick them up and take them to the recycling center or put them in your trash.
