

# PINEWOOD PATTEN

March, 2013

## Plowing

Plowing this year has been significant (especially in February)...and we have thus far only collected \$100 from those on the plowing list, instead of \$150. As I would love it if we were done plowing for the year, March can sometimes be a very snowy month. Because most of you have only paid 2 out of 3 payments, I will give you an option for March. Option #1: pay an additional \$50. Option #2: pay \$15 per time. This way...you get to choose. It's more of an accounting nightmare for me, but I hate to charge \$50 and we only get one more snowfall. As I said above... hopefully we are done with the snow, and no more plowing is done, and no money exchanges hands. That would be best for everyone! Spring can arrive tomorrow as far as I'm concerned.

## Daylight Saving Time

begins on Sunday, March 10<sup>th</sup>. Remember to turn your clocks ahead and change the battery in your smoke detector.

We would like to welcome:
