As always, please place them on the shoulder of the road for pickup. Remember...this is for pine needles only. You must dispose of all other yard waste by taking it to the Village Brush site.

## Clubhouse

If you happen to notice that we are running short on coffee or cleaning supplies, please notify the Office. Also, if you happen to notice that a sink or a toilet is leaking, notify us. Just the same...if any of the exercise equipment, etc. needs servicing...let us know. We stop over there often, but not daily. A toilet was recently leaking and we had over a \$65 increase in our water bill!

## Fall Checklist

- \* Install a new furnace filter.
- \* Have your furnace cleaned.
- \* Check your heat tapes.
- \* Check your skirting
- \* Put away old flowerpots
- \* Replace the battery in your smoke detector.

Gene Van Riper with Quality Mobile Home Care will be at Pinewood from 9 - 12 on Friday, October 18<sup>th</sup> and Saturday, October 19<sup>th</sup> to check heat tapes and put D-Con under homes for a fee of \$25 per home. If you want to be put on the list please call the Pinewood Office, 534-6210.

## Dogs: rules review

All dogs (puppies) must have prior approval before coming to Pinewood Court. Certain aggressive breeds are expressly prohibited; **and any breed that needs a large area to run and exercise will not be approved as well.** Current weight limit when full grown is 45 lbs. We will be changing this weight limit to 35 lbs., as some tenants have tried to argue Labrador retrievers fall into the 45 lb. weight category. Again...**all dogs must have PRIOR APPROVAL before coming to Pinewood Court.**

Happy Halloween!
