Expansion update

We are meeting on Friday with the surveyor and engineer. Hopefully we will have the necessary documentation from the DNR soon to proceed with the expansion. We are planning on adding 14 sites along Eastwood Road. Once the permits are in hand, we will call Village Hall for final approval, and then the excavation /plumbing/ electrical crews to check on their schedules. Depending on what we find out...the project may happen yet this fall, or could be postponed until next spring. Several residents have expressed interest in sites east side of Eastwood Road. Please let us know if you would like to reserve a site.

Its' a boy! Austin 8/11/13

Congratulations to Kristina, Derek, and big brother Logan! And to grandparents and great-grandparents as well!

Weather

We have had quite a variety of weather this summer, which has for the most part allowed all of us to have beautiful lawns. A "rival" mobile home park owner recently remarked, "It bugs me that your park looks so darn nice. I wish mine did." Kudos to all of you for making Pinewood such a great place to live!

Labor Day

The Pinewood Office will be closed Monday, September 2nd in observance of Labor Day.
