Fall Checklist

- * Check your heat tapes.
- * Have your furnace inspected and cleaned.
- * Check your smoke detectors.
- * Check your skirting for gaps.

In October we will be scheduling an inspection day with Gene Van Riper of Quality Mobile Home Care. I will have a sign-up sheet in the office. Please give me a call or stop by if you want your name on the list. Watch next month's newsletter for rates, date, and times.

Thank you very much for all your prayers and well-wishes. Paul's surgery went perfect, and he will be back to his old self before the snow flies. Doctor's orders are to take it easy for about 6 weeks. Hmmm. I can already tell it's going to be hard to keep him in line for that long.

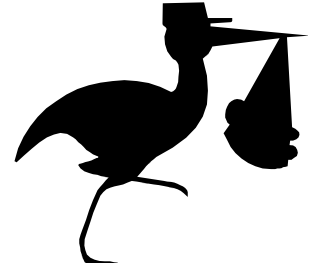

We would like to welcome:

- Dianne and Gerrit Van Eijl to 12089 Evergreen Drive.

Village Brush Site

Please take your sticks and yard waste to the Village brush site located below Mrs. Sippy's on Fremont Street. They are just before the tracks on the left as you go down the hill. As always, we will pick up your pine needles when raking begins this fall. 10Mbps.

Its' a girl!
Welcome Madeline Knepper
8/18/13

Congratulations to parents Ryan and Yia, and siblings Michael and MaryLou!

Trash pick-up

With Paul's recent surgery, we have been walking around Pinewood several times a day. I am thoroughly disgusted with the cigarette smokers who use the world as their ashtray! Just when I think every butt has been picked up...more appear. If this message doesn't sink in soon, I will be pulling video off of security cameras and asking the Village Police Department issue littering tickets to the offenders.

Annual Village-Wide Rummage Sale

Saturday,
September 21st

If you want your name and address to be included on the Village-Wide map, please call Jessi Haney by September 14th, 534-5083.
