

PINEWOOD PATTEN

April, 2014

April Birthday

We would like to wish a
Happy Birthday to:

Dante Flury 24th

Pine Needles

When the snow finally melts and you start raking, we'll be glad to pick up the pine needles if you rake them to the edge of your lawn. Other yard waste (sticks, grass clippings, flowers) can be taken to the Village brush site, located below Mrs. Sippy's. Also, please take time to walk through your yard to pick up any trash items that you see.

Pet owners – please clean thoroughly.

Drive Safely

With the warmer finally approaching, the kids will be taking to the streets with their bikes and scooters. Walkers will be out as well. Please slow down to keep our residents safe.

Trempealeau Youth Sports Club Casino Night

Centerville Curling Club

Lease Agreements

Recent changes at the State level require that all tenants must sign a new Lease Agreement this year. Half of you (month- to-month tenants) received a second notice within the last week. Please stop by the office during April to sign your new lease. The rest of you (annual tenants) will receive your notice as your lease come due throughout the year.

Spring Thaw

Because the frost level is so deep this year, we are anticipating there may be some standing water throughout the park. Please have patience. It may be messy for a few weeks, but eventually all will improve.

Sand

We will be sweeping the streets once the threat of snow is gone. Please sweep your driveway. Dispose the sand on the shoulder of the road or at the rear of your site.
