Sticks & Stuff

We appreciate your efforts to keep the park mowed, trimmed, and tidy. We are done picking up pine needles for the spring. Please take your sticks, flower pot contents, grass clippings, and any pine needles down to the Village Brush Site located below the new Mrs. Sippy's. Although the sign says "No Pine Needles"...they will gladly accept small amounts. They just don't want the entire Park's supply, which is why we take care of them for you.

Trempealeau Municipal

Swimming Pool

Opens Friday, June 6th

We would like to welcome:

- Jesi Theobald, Jon Hutzenbuehler and son Quentin to 23669 Pinewood Road.
- Clayton and Jacque Johnson, and children Kaia and Gavin to 23866 S. Cedar Drive.
- Deb Jacobs, Kaylee Jacobs, and her children Bentley and Claire to 12187 N. Forest Drive.

Blues Bash

Saturday, May 31st

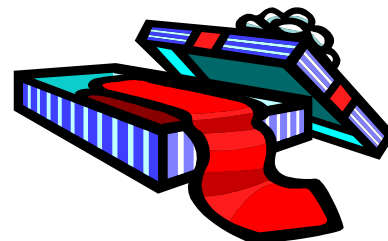

Trempealeau Hotel

2-11 pm

Please slow down...

School will be out shortly and the kids have already taken to the streets with the nice weather. We need to keep everyone safe.

Eyes and Ears

As a reminder...all of you are the eyes and ears of this community. Please let us know about street lights that are burned out and rules violations that we may have missed. As always our goal is to keep Pinewood a neat, clean and safe community. We couldn't do it without you!

New Addition

The roads in the new addition are done and it is looking great! Hopefully the curb appeal will bring some new residents our way soon. Those of you that live close know there have been a lot of people driving by to check it out.

Mail

Several tenants have complained about their neighbor's mail showing up in their box. If this happens, please place it in the outgoing mail slot and call or stop by the Trempealeau Post Office, 534-6571.
