November, 2014

## November Birthdays

## Plowing Rates

December - \$50
January - \$50
February - \$50
March - \$50

Last year's winter was wicked cold! Of course we will assess the situation as it unfolds, and make any adjustments as necessary. Remember, if you choose to be on the list:

- \* We will plow *only* if the Village plow comes through
- \* We will plow *after* the Village comes through

For those of you not on the plowing list, please remember that shoveling must be done within 24 hours of a snowfall.

## Obamacare

One year later...is everyone happy with the new healthcare system? Not me. Our premiums have skyrocketed, we have fewer options and our deductibles are higher. It appears now the focus has shifted to ISIS, the elections and Ebola. Looks like we are stuck.

## Storage

We are building another storage building just down the road. Units should be available by the end of the month.

10 x 12	\$50
10 x 24	\$70

I have quite a few of you on the waiting list. I will keep you posted as to when they will be finished.

## Daylight Saving Time

begins on Sunday, November 2<sup>nd</sup>. Remember to turn your clocks back one hour and change the battery in your smoke detector.
