

# PINEWOOD PATTERN

September, 2016

## Village Update

**Village Administrator:** The Village is in the process of hiring a new Village Administrator. Say a prayer we are blessed with someone who has high integrity, is knowledgeable, is a great leader, and is a good listener.

### Village Board Members:

Village Board member Larry Moore resigned this week. Next April, several seats will be available as Tom Scherr has also mentioned that he is not planning to run again. The "Get Out To Vote" campaign will be in full swing next spring.

### Attention Storage People

We need to relocate all of the boats that are stored next to the clubhouse.

We are going to build a new storage building for our equipment. Eventually the boats will be stored behind this building on the land where the old well-house building is located. In the meantime – if your boat/trailer needs some attention – please take care of it so you/we are able to move it.

## September Birthdays

We would like to wish a  
Happy Birthday to:

Brittany McCutchen	9 <sup>th</sup>
Lyndsi Noren	11 <sup>th</sup>
Hannah Grooms	20 <sup>th</sup>
Gavin Johnson	25 <sup>th</sup>
MaryLou Knepper	27 <sup>th</sup>
Michael Knepper	30 <sup>th</sup>

## Trash in Pinewood

On a daily basis, someone walks through Pinewood and picks up trash. *Daily*. One should wonder – why do we have to have someone walk the park daily to clean our streets? Sadly it is because there is always something to pick up. Thoughtlessly tossing out trash onto streets and in other public spaces (the post office) has become a bad habit of too many people. And it's not just here in Pinewood. Did you know cigarette butts take up to 10 years to disintegrate? But it's not just smokers who litter. The most common objects found during litter clean-up are fast-food and beverage containers. A national study shows that 75% of people admitted they have littered in the past 5 years. ENOUGH! It takes knowledge and discipline to change bad habits. Now that you have been informed – talk to your children, retrain yourself and quit littering.

## Fall Checklist

- \* Check your heat tapes.
- \* Have your furnace inspected and cleaned.
- \* Check your smoke detectors.
- \* Check your skirting for gaps.

## Pine needle pick-up

We will be picking up and disposing of pine needles in October. Please rake your pine needles to the edge of the road, but please do not place the pine needles ON the road.

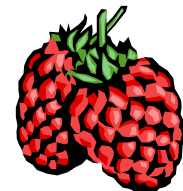

School starts on Thursday,  
September 1<sup>st</sup>.

## Annual Village-Wide Rummage Sale

Saturday,  
September 17<sup>th</sup>

If you want your name and address to be included on the Village-Wide map, please call Jessi Haney at 534-5083

It's raspberry picking time!  
Enjoy the rest of the summer!
