Parkland Plan

The Village of Trempealeau is looking for your input for the 21-acre park they will be developing just north of Weaver Estates. The Village Administrator will be chatting about it in next month's newsletter. It is important to gain community consensus on such a project. There will be a planning event on Tuesday May 23rd, but feel free to email or chat with Nate at any time about your ideas. It's never too soon to start.
npatros@trempealeauwi.com or 534-6434.

Spring Clean-up

Although it is only March, the melting snow has revealed some lawns that need to be cleaned up. Please take the time to make sure your site is looking good. Many homes need to be cleaned (power-washed) this spring. Additionally, some homeowners need to replace failing vinyl skirting with steel skirting.

It will be a while before it warms up enough, but please make a game plan as to when and how you are going to spruce things up.

It is important to keep our community looking good.

Dogs in Pinewood

Please make sure you clean up your yard after your dog. It is more difficult to do when it's snowy, but do your best. The recent thaw was revealing.
