

PINEWOOD PATTERN

March, 2019

Snow, snow, snow

Last year at this time I was talking about all of the snow that had melted and spring cleaning.

Dang! Old-man winter has sure been a pain in the tuchus! I think the biggest concern right now is too much snow on the roofs and the ice dams that have formed. Icicles mean trouble, and at a minimum the leading edge of the roof needs to be cleared to prevent damage.

Soon the snow will melt. And then puddles are going to be everywhere. Please be patient – it will eventually all soak in.

Regarding plowing: the guys have done a FANTASTIC job keeping the park clean! They have helped many of you out. It has been nearly impossible to keep track of it all, so at this point we are on the honor system.

Most have you have asked what you owe, so here is a guideline:

- \$15 – windrow/ pile push back
- \$20 – full drive
- \$50 – entire month

Again – just pay what you wish.

You can pay the guys cash directly or pay me at the office. Separate or on your rent check – makes no difference to me.

And please, thank them if you see them around.

Rent Certificate

If you need a rent certificate for your income taxes, please stop by or call the Office, 534-6210. I will be happy to fill one out for you.
